

CDT Practical Course 7th to 9th January 2026

Laboratory Allocations

The table and maps show you which laboratory you have been allocated to work in and who you have been partnered with. You can swap partners and laboratories with other students who wish to swap with you, but the total number of students in each group (and lab) must not change.

1st FLOOR

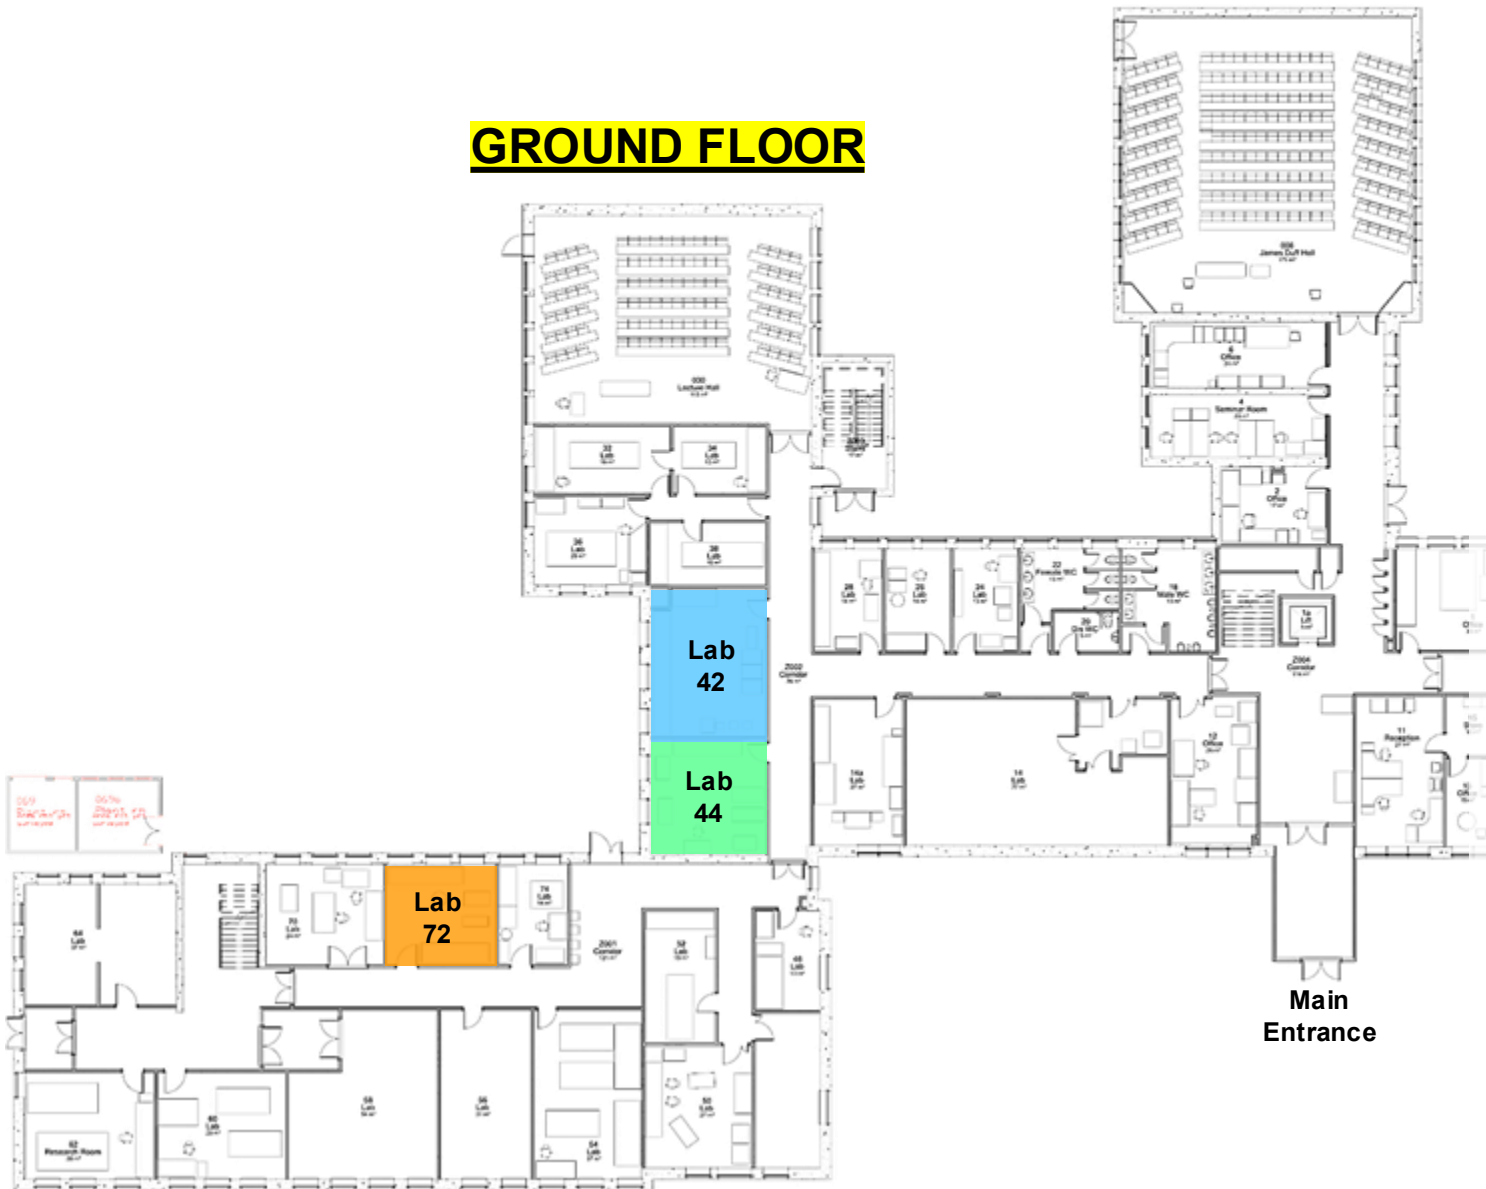

LABORATORY	NAME
Lab 22B	Al-fatly, Ahmad
	Ambuehl, Antonietta
