

# CDT Practical Course 6<sup>th</sup> to 8<sup>th</sup> January 2025

## Laboratory Allocations

The table and map shows you which laboratory you have been allocated to work in and who you have been partnered with. You can swap partners and laboratories with other students who wish to swap with you, but the total number of students in each lab must not change.

### GROUND FLOOR

4 laboratories will be in use in the left-hand side of the building.
